Theme for the Year:
Pilgrims of Hope and
Upholders of the
Constitution

We are happy to welcome our students back to school. Here is an update of our activities in the first two months.

The months of June and July were filled with energy, creativity, and meaningful learning as we journeyed together as “Pilgrims of Hope.” Our activities encouraged students to express themselves, discover their talents, and live out the values of hope, unity, and perseverance.
